- Introduction to web programming with Javascript
- Advanced layout techniques with CSS
- Learn how to use frameworks like Bootstrap to create websites
- Much more Photoshop

LEVEL 2

# WEB DEVELOPMENT TECHNOLOGIES - HONORS

- Adobe Illustrator
- Web programming with Javascript
- Web programming with PHP
- Database manipulation with MySQL
- They be given a chance to make their own temporary websites using a free hosting service.

LEVEL 3

# WEB DEVELOPMENT TECHNOLOGIES - HONORS

- Web programming with Javascript
- Adobe Illustrator
- AI prompt writing for text, code and graphics
- More HTML and CSS

LEVEL 3

# MULTIMEDIA TECHNOLOGIES - HONORS

- Create and manage their own real website
- Introduction to SEO (search engine optimization)
- Web analytics using Google analytics
- Web programming using Javascript and PHP
- SQL (database access)

LEVEL 4

# THIS IS AN HONORS CLASS

## Honors Students

The standards and expectations are higher than that of a regular class.

# LATEST WEB DEVELOPMENT SOFTWARE

OPPORTUNITY TO BECOME CERTIFIED IN DREAMWEAVER & PHOTOSHOP & ILLUSTRATOR

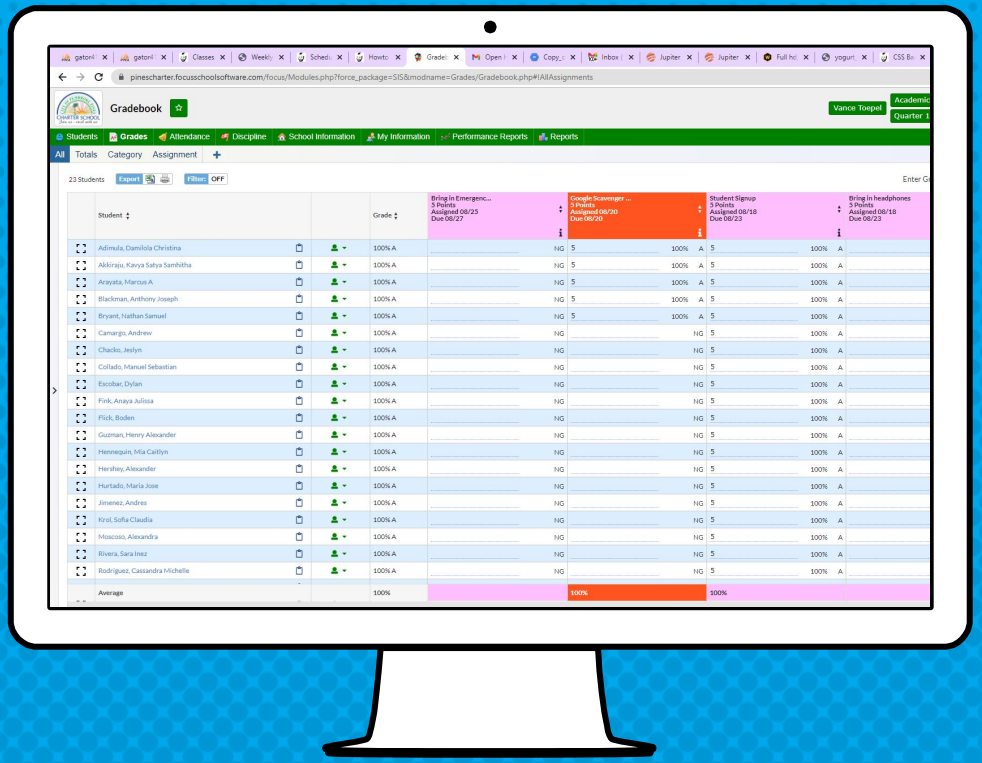
# Class Organization

There are multiple places where students can stay up to date with *assignments/classwork/tests*, etc...

1. Canvas / mrtoepel.com
2. FOCUS *(grades)*

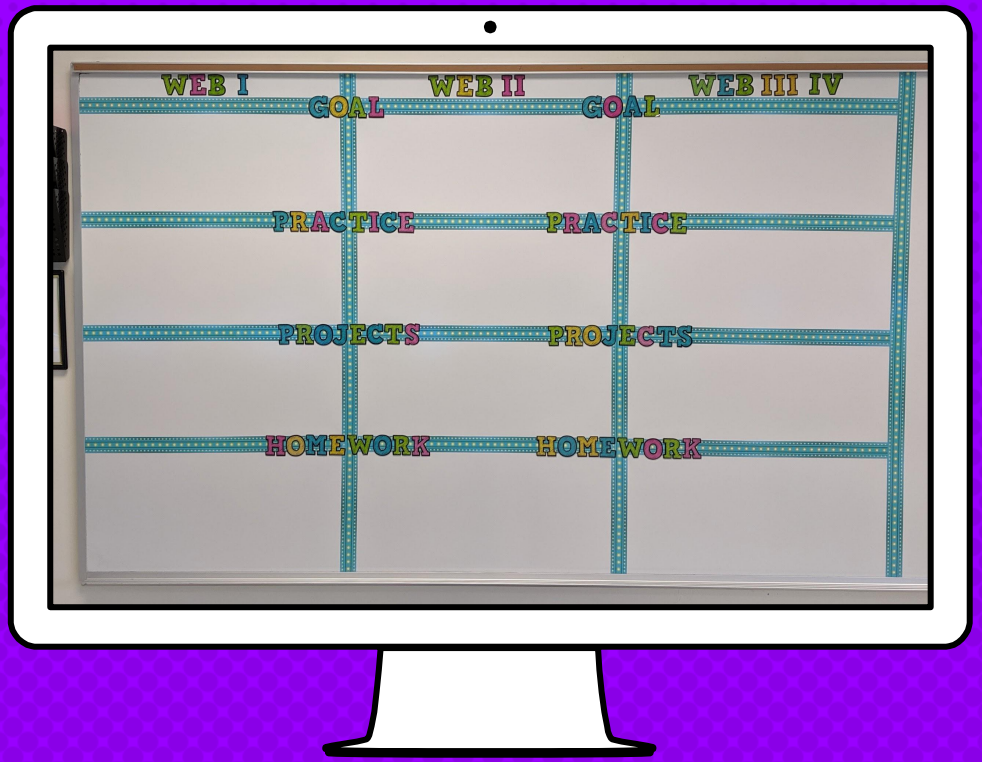
# FOCUS

Classwork, Projects,
Quizzes, Tests
Grades & Due Dates



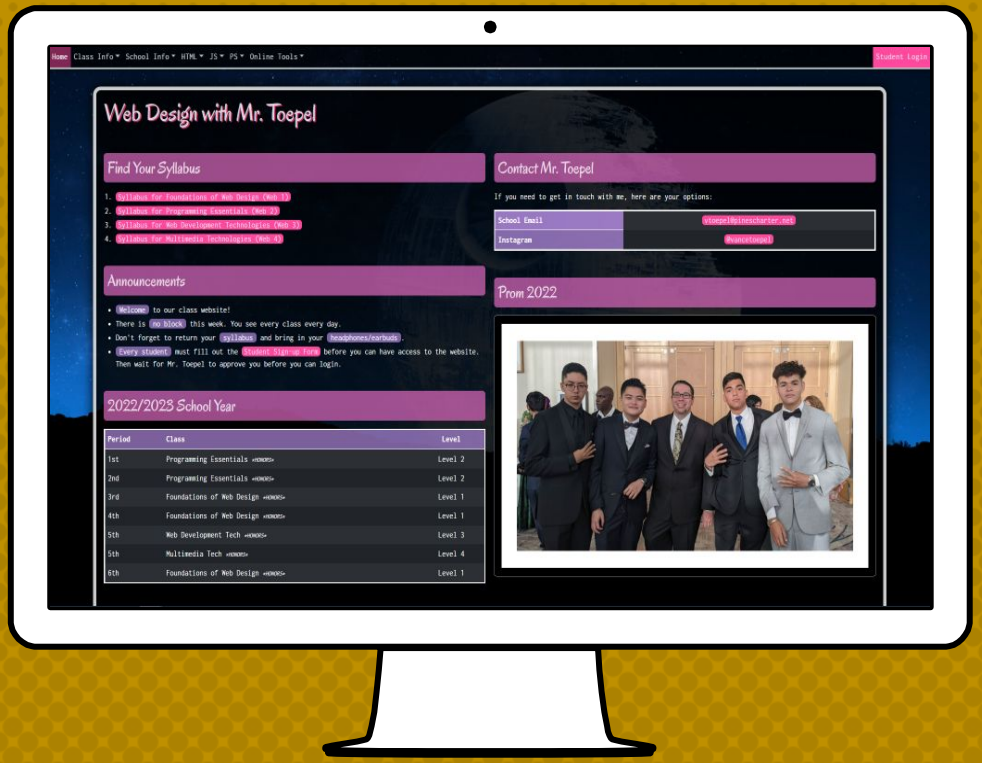
# WHITE BOARD

Daily Agenda, Classwork, Homework and Projects



# CLASS WEBSITE

Current and Past Weeks with detailed day-by-day agendas and work history



www.mrtoepel.com

# CLASS PROCEDURES

## Start of Class

1. Sign in
2. Login to class website
3. Review daily schedule
4. Begin any pending assignments

## End of Class

1. Save work
2. Turn in anything due
3. Logoff computer
4. Clean up and wait to be dismissed

# Student Work

## Google Drive

All work will be kept on the student's Google drive. It is accessible anywhere.

## Home Computer

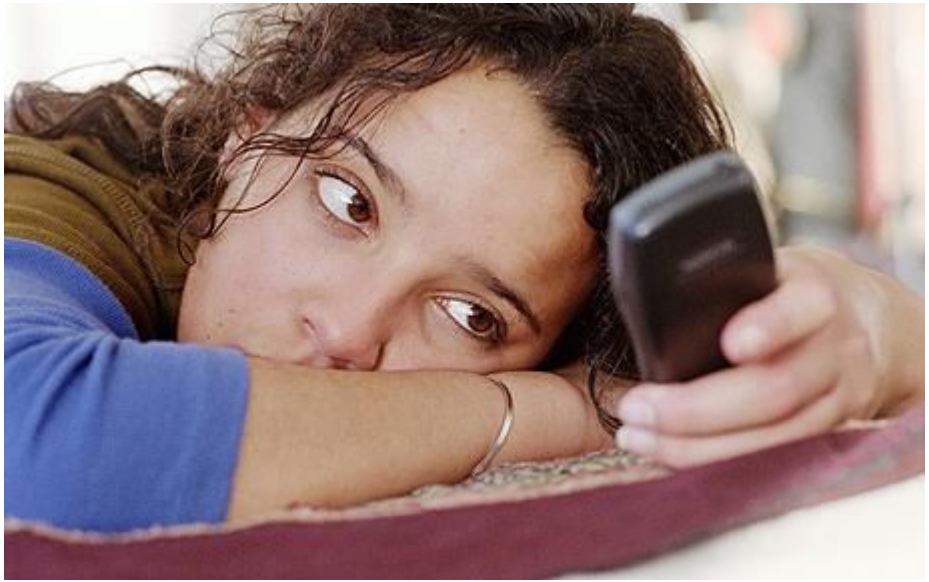
Students are encouraged to keep a backup of their work on their home computer.

# HEADPHONES / EARBUDS / AIRPODS

Students should always have headphones with them .

We sometimes watch videos independently.

# PHONES/ELECTRONIC DEVICES



New this year.

Students are required to keep their phones and other electronic devices away during school hours.

# WORKING FROM HOME

Phoenix

Browser-based code editor

https://phcode.dev

Photopea

Browser-based image editor

https://www.photopea.com

*Since both are browser-based, they will work with any computer.

*Combined with Google Drive, they should be able to work on any assignment at home if they need to.

# Making up work or quizzes

## Lunch

Students must ask me ahead of time

## After School

Students must ask me ahead of time.

I'm here everyday til 3:10pm

# LATE WORK

## I Accept Late Work

The grade drops 10% for every week that goes by without being turned in. After 3 late assignments, late work starts at 30% off.

After three weeks have passed, I will not accept any late work.

## Abusers

If someone continually has late work, I will contact their parents to see what is wrong.

# THANKS!
